

Kyoto Landslide COMMITMENT 2020

International Consortium on Landslides

4 August 2022

To Landslide researchers and practitioners,

Call for Contribution to Vol.2, No.1 of the Open Access Book Series “Progress in Landslide Research and Technology”

The Kyoto 2020 Commitment for Global Promotion of Understanding and Reducing Landslide Disaster Risk (Kyoto Landslide Commitment 2020: KLC2020): A Commitment to the ISDR-ICL Sendai Partnerships 2015-2025, the Sendai Framework for Disaster Risk Reduction 2015-2030, the 2030 United Nations Agenda for Sustainable Development Goals, the New Urban Agenda and the Paris Climate Agreement was launched on 5 November 2020. In order to promote the “Kyoto 2020 Commitment until 2030 and beyond,” a new stable global platform is essential for the information dissemination and collaboration among KLC2020 partners and the Society. Therefore, the establishment of an Open Access Book Series, “Progress in Landslide Research and Technology (P-LRT),” was examined and approved by all panelists and participants of the Fifth World Landslide Forum in Kyoto, Japan, on 3 November 2021.
